

Clown Camp Supply List

Costume

Campers will spend most of the week in '**Neutral Clown**':

• Grey, Black or Tan clothing	• No image T-shirt
• Elastic waistband or loose fitting pants	• Comfortable shoes & socks

We will gradually build each camper their own unique costume. Although, generally more colorful, costumes will vary according to the type of clown the camper chooses. Only send clothing that can be permanently altered to build the camper's new clown costume.

Campers may bring their own work-in-progress costume that could include:

• Vest/ Coat	• Shirt/ Blouse	• Tie/ Collar
• Pants/ Skirt/ Dress	• Hat/ Wig	• Gloves
• Socks/ Stockings	• Oversized Shoes	• Patches/ Buttons/

Make-Up

Along with their unique costume, campers will be building a unique clown face. To maintain hygienic standards, each camper must have their own set of make-up.

A well-equipped clown may have:

• Clown white grease paint	• Black grease paint
• Rouge/ Blush	• Lipstick/ lip gloss
• Eye shadow/ eye liner/ mascara	• Face powder/ Baby powder
• Make-up sponges and brushes	• Body glitter/ stick on jewels
• Other colors as needed	• Nail polish
• Nose/ Eyelash glue	• Baby-wipes/ washcloth & lotion
• Hair brush/ comb/ styling spray/ gel	• Mirror

Some clowns work without any make-up. We will have alternate activities for clowns choosing not to participate in make-up.

Nose

Nothing symbolizes a clown quite as much as an unusual nose. Noses are not always red. Noses come in as many varieties as clowns. We will have some practice noses. A well-equipped clown will want a nose that will suit their character. Noses can be foam, plastic, rubber, leather, or *paper mache*. They can be attached with glue, elastic, double-sided tape or even painted on.

Props

As campers progress through the clown skills they will ultimately decide on some specialty acts or tricks. If campers already have an inclination towards mastering a particular clown skill they may bring along the appropriate props. These *could* include:
